Bio Break w/ Citrus Solv

Powdered Prespray for Carpet & Upholstery

Bio Break w/ Citrus Solv

Bio Break from Bridgepoint Systems is a complete preconditioning formula for carpets and upholstery. Grease and oils dissolve in minutes while protein soils are digested and readied for complete extraction. It is excellent in restaurants and on problem soils found in homes and apartments.

- **POWER OF CITRUS:** Bio Break contains the delimonene boost of Citrus Solv to cut through greasy soils and provides the always pleasant Citrus fragrance. New formula created Fall 2013 contains 50% more delimonene.
- **FAST STRIKING ACTION:** Bio Break also contains grease cutting alkaline builders, non-ionic surfactant and an encapsulated protease enzyme that go to work NOW on the toughest soils.
- **SAFER TO USE:** Bio Break contains 6 ingredients that are considered “green” for the environment and is safer for the user. It is non toxic, contains no butyls, or harsh solvents or corrosive alkaline builders.
- **ECONOMICAL:** Bio Break will dilute for use in the Hydro-Force or other type sprayers for pennies per diluted gallon.

Part Number: 1642-7561

9.5 - 10.5 RTU pH

Dilution Ratio: 1-2 oz./gal.

Contents: 6 Pound Jar (2.72 Kilograms)

Available in 6 lb Jars and 4 x 1 6 lb Jar cases

- Contains the delimonene cleaning boost of Citrus Solv along with the pleasant orange fragrance.
- The combination of delimonene, non-ionic surfactant, alkaline builders and protease enzymes break down filthy built up oil and grease in carpets
- Perfect for restaurant cleaning
- Contains no butyls or harsh solvents
- Economical - less than 60¢ a gallon in ready to use formula.
- New formula dissolves faster than other powders.

DIRECTIONS

For best results, use with hot water. Brief exposure to high temperatures through the Hydro-Force will not affect performance.

- For heavy soil, mix 3 to 4 oz. Bio Break in 1 gallon hot water.
- For moderate to heavy soil, mix 1 to 2 oz. Bio Break to 1 gallon hot water.
- For use in the Hydro-Force injection sprayer, mix 12 oz. Bio Break in 5 quarts hot water.

Spray ready to use mixture evenly on the carpet. Allow up to 15 minutes before extracting. Do not allow solution to dry on the carpet before extracting.

For Upholstery: ALWAYS PRETEST FOR COLOR FASTNESS OR COLOR CHANGE. Use only on wet-cleanable synthetic upholstery. Mix 1 to 2 ounces Bio Break in 1 gallon hot water. Spray lightly over soiled areas. Allow to dwell for 5 minutes. Proceed with proper cleaning procedure.
