

VIPER PEROXIBRIGHT CTG™

Peroxide Activated Concrete, Tile & Grout Cleaner and Brightener

- X Grout X Quarry Tile X Saitlito
 - X Concrete X Ceramic Tile X Porcelain Tile
-
- X = Primary Use ✓ = Secondary Use

One U.S. Gallon (3.79 Litres)

RTU ph - 2.0 - 3.0

- Activated effervescent solution gets into every crevice, crack, and pore to effectively emulsify, dissolve and delucate the most stubborn soiling.
- Cleans and brightens without need for neutralization that harsh acids require.
- A proprietary mixture of specialized surfactants and non-butyl solvents is activated by a stabilized oxygenated solution.

DIRECTIONS FOR USE:

- Read entire label before using. Use only as directed. Always pretest surface with cleaning solution for colorfastness prior to cleaning. Mask off all surfaces which may come in contact with prepary, especially metal. Wear protective eyewear, gloves, long sleeves, and long pants while handling concentrate. Ensure work area is well-ventilated during application and until surface is dry. Keep children and pets out of the area during application and drying.
1. For normal soiling, mix 32 ounces (1 quart) of solution with gallon of warm or hot water (1:4) into a professional plastic spray applicator. For application through a Hydro-Force Injection Sprayer, use concentrate solution into sprayer bottle and use no mixing tip for 1:4 mixture. For special case, hard-to-remove and heavy soil, mix two quarts (64 ounces) of solution with a gallon of warm or hot water (1:2) into a professional spray applicator.
 2. Apply mixed solution with sprayer evenly and liberally across surface to be cleaned. If preferred, you can apply mixed solution with a damp mop, sponge, or other appropriate professional equipment. If using a mop for solution application and surface cleaning, change your mop water often to make sure that soil is not redeposited. Agitate with a brush as needed. Brush agitation assists the cleaning process.
 3. For best results, agitate and extract cleaning solution using warm or hot water and a rotary agitation surface cleaner such as a Hydro-Force SR-15, SR-12 or SR-7. For light spaces or especially sensitive surfaces, use the Hydro-Force Qekko Hard Surface Extraction Tool, or simply mop with rinse with clean warm or hot water.
 4. Rinse the area thoroughly with water and allow to dry.

ACCELERATED DRYING WITH AIR MOVER: Like the Hydro-Force Air King or OmniPro OmniDry Air Mover.

INGREDIENT DISCLOSURE: Water, Hydrogen Peroxide, C9-11 Alcohols Ethoxylated, Diisopropylene Glycol Butyl Ether, Methylhydroxypropionol, Sodium Xylene Sulfonate, Sodium Sulfate, 2-Methoxypropanol.

INSTRUCCIONES:

1. Usando un rociador de plástico profesional. Para lugares sucios, mezclar 32oz de solución con un galón de agua caliente (1:4). Para aplicar mediante un Hydro-Force Injection Sprayer, use la solución directa en la botella de spray para la mezcla 1:4. Para casos especiales, difícil-de-quitar y suciedad pesada, mezclar 64oz de solución con un galón de agua tibia o caliente, usando un rociador profesional (1:2).
2. Aplique la solución mezclada con el rociador, en forma pareja en toda el área que desea limpiar. Y si se prefiere, se puede aplicar la solución mezclada con un trapeador humedecido o una esponja o cualquier equipo profesional. Si usa un trapeador para aplicar la solución en el área que desea limpiar, cambie seguido el agua para asegurarse que el suelo quede completamente limpio. Agítelo con un cepillo como sea necesario. El cepillo de agitación ayuda al proceso de limpieza. Agítelo con un cepillo como sea necesario. El cepillo de agitación ayuda al proceso de limpieza. Agítelo con un cepillo como sea necesario. El cepillo de agitación ayuda al proceso de limpieza.
3. Para mejores resultados, agite y extraiga la solución impregnada usando agua tibia o caliente y una máquina de agitación rotatoria tal como Hydro-Force sa-15, sa-12, o sa-7. Para lugares poco espaciosos o que son poco delicados, use Hydro-Force qekko hard surface extraction tool, o simplemente use un trapeador con agua tibia o caliente y limpie.
4. Limpie el área con bastante agua y después seque, acelere el proceso de secado con un ventilador de hydro-force air king o un omnipro, omnidry air mover.

IMPORTANT NOTICE TO PURCHASERS: Seller and manufacturer's liability for any and all losses or damages resulting from any cause whatsoever shall in no event exceed the purchase price of this product, with respect to which losses or damages are claimed. Before using, the user shall determine the suitability of this product for its intended use, and user assumes all risk and liability whatsoever in connection therewith. Go to www.hydroforce.com for additional safety, regulatory and liability information.

WARNING!

Keep out of reach of children.
HAZARD STATEMENTS:
 May cause or intensify fire; oxidizer. May be corrosive to metals. Causes skin irritation. Causes serious eye irritation.

PRECAUTIONARY STATEMENTS:
 Keep/Store away from combustible materials. Wash face, hands and any exposed skin thoroughly after handling. Wear protective gloves/ protective clothing/ eye protection/ face protection. Keep reduction valves free from grease and oil. Keep only in original container. Absorb spillage to prevent material damage. IF ON SKIN: Wash with plenty of soap and water. If skin irritation occurs: Get medical advice/attention. Take off contaminated clothing and wash before reuse.

ATENCIÓN!

Mantener fuera del alcance de los niños.
INDICACIONES DE PELIGRO:
 Puede provocar o agravar un incendio; comburente. Puede ser corrosivo para los metales. Provoca irritación cutánea. Provoca irritación ocular grave.

CONSEJOS DE PRUDENCIA:
 Mantener o almacenar alejado de materiales combustibles. Lavarse la cara, las manos y la piel concienzudamente tras la manipulación. Usar guantes/ropa de protección/equipo de protección para los ojos/ la cara. Mantener las válvulas de reducción libres de grasa y aceite. Conservar únicamente en el recipiente original. Absorber el vertido para que no dañe otros materiales. EN CASO DE CONTACTO CON LA PIEL: Lavar con agua y jabón abundantes. En caso de irritación cutánea: consultar a un médico. Quitarse las prendas contaminadas y lavárselas antes de volver a usarlas.

AVERTISSEMENT!

Tenir hors de portée des enfants.
Mentions de Danger:
 Peut provoquer ou aggraver un incendie; comburant. Peut être corrosif pour les métaux. Provoque une irritation cutanée. Provoque une sévère irritation des yeux.

CONSEILS DE PRUDENCE:
 Tenir/stocker à l'écart des matières combustibles. Se laver le visage, les mains et toute surface de peau exposée soigneusement après manipulation. Porter des gants de protection/ des vêtements de protection/ un équipement de protection des yeux/ du visage. S'assurer de l'absence de graisse ou d'huile sur les soupapes de réduction. Conserver uniquement dans le récipient d'origine. Absorber toute substance répandue pour éviter qu'elle attaque les matériaux environnants. EN CAS DE CONTACT AVEC LA PEAU: laver abondamment à l'eau et au savon. En cas d'irritation cutanée: Consulter un médecin. Eviter les vêtements contaminés et les laver avant réutilisation.

Made in the USA with globally sourced materials.
 Hecho en los USA con materiales de origen mundial.
 Fabriqué aux USA avec des matériaux provenant du monde entier.
