

NEW
Replacing WinWrap
and Xseries Products

Refined Premium Pre-Stretched hand film,
ideal for high volume application conditions

Features

Light-weight, low gauge rolls

- Easy to handle rolls
- Effective wrapping with less effort

Folded outside edges

- Reduced “neck-down” during wrapping, allowing utilization of film’s full width
- Decreased roll damage and waste

Benefits

- Differential cling
- Glidesmooth™ cores for decreased application friction
- High yield and load containment with light gauges
- Excellent puncture and tear resistance
- Advantaged sustainability compared to conventional hand films

Applications

- Load Types: A and B
- Warehouse and Distribution Centers
- Cold & Humid Environments
