

Fire/Smoke Remediation

ODORx Thermo-55

Solvent-based odor counteractant for thermal fogging featuring a blend of highly purified petroleum solvents and odor-controlling essential oils. Proper application knocks out the strongest odors and helps to prevent malodors from reappearing. Choose the fragrance that works best with the malodors being treated.

Features

- Thermo-55 is available in a variety of scents formulated to combat specific smoke odors.
- Select the Thermo-55 product based on the odor source:

Protein: Citrus

Synthetic: Kentucky Blue Grass

Natural: Neutral or Cherry

Tobacco/Cannabis: Tabac-Attack

- Working with especially difficult odors? Try ProRestore's [Proven Odor Removal System](#).
